Gilsbar Named Top Workplace by Times-Picayune Four Years Running

The Times-Picayune Selected Gilsbar as a Winner of the 2018 Top Workplaces Award

Covington, LA June 2018 – Gilsbar has been awarded a 2018 [Top Workplaces](#) honor by The Times-Picayune and was recognized as one of the top large employers in the New Orleans area. Gilsbar has been selected for this honor every year of this award's existence. This list is based solely on employee feedback gathered through a third-party survey conducted by Energage. The anonymous survey measures several aspects of workplace culture, including alignment, execution, and connection, just to name a few.

"Top Workplaces is more than just a recognition," said Doug Layman, President of Gilsbar Health & Life. "Research shows organizations that earn the award attract better talent, experience lower turnover, and are better equipped to deliver bottom-line results. We believe it shows Gilsbar prioritizes and maintains a healthy workplace culture which supports employee engagement. We're proud of our employees who make Gilsbar better each day and a place where people want to grow."

Marie Mineo, a Gilsbar Marketing Coordinator, shared, "I love the experience working at Gilsbar provides. Every day I feel like I am challenged to push myself further in my career and I am learning new things about myself in the process. I believe these challenges create fulfilled employees, while also cultivating Gilsbar's leaders of the future."
